Safe & Sober After Prom

The Camarillo High School PTSA is proud to present the 26th annual Safe and Sober event, on Saturday, May 13, 2017 for the Senior Class graduates and their guests. This event provides a safe & sober place for students to go after their prom ends. It is a place for them to continue their celebration, hang out with their friends, and encourages good choices for the evening.

For the past 25 years, our community has supported this event with volunteers, generous donations and sponsorships. This allows us to plan an event that includes activities, food, entertainment, and prizes throughout the evening for our celebrating Seniors.

**All donations/sponsorships are greatly appreciated
